# Message from the Organizing Chairman

Dear family and friends, I am ecstatic that I have the pleasure and honour to invite you all to grace the 10th International Conference organised by the Malaysian Society of Wound Care Professionals which is the Asian Wound Care Association (AWCA) and the 3rd Global Wound Conference 2021 held in the Sunway Convention Center, Bandar Sunway, Selangor. The conference will be held from the 3rd to 5th of December 2021. The theme this year is quite exciting which is 'Wound Wars: May the Cure be with you'.

As health care and wound care professionals we battle with chronic complex wounds everyday of our life and we hope that we have the solution to all their problems especially to save the Limb and the life. Therefore, this theme is great in addressing that and I hope that you will be able to share your experiences and get sufficient information and input as well as good networking so that our patients who are the clients can be managed holistically and comprehensively to prevent or minimise complications.

This year in view of the COVID pandemic, we are still organizing a hybrid meeting with the involvement of the Asian countries with the support and endorsement of the Asian Wound Care Association (AWCA). This is the pre World Union of Wound Healing Societies meeting held in Malaysia which will involve many countries in the world from all the different continents to join hands to manage wound comprehensively. Education is a very important aspect of wound care management. This conference will showcase all kinds of educational programme and initiative undertaken by the various organisations globally.

I sincerely hope that all of you will be able to gain valuable knowledge regarding wound management and strengthen the camaraderie amongst ourselves. Thank you.

Take care and God Bless.

**Prof. Dr. Harikrishna K. R. Nair S.I.S KMN**

*Chairman of the Organising Committee*

*President of the Malaysian Society of Wound Care Professionals (MSWCP)*
